60 GOLDEN HADITHS FOR CHILDREN

In the Name of Allah,
the Most Gracious, the Most Merciful

Preface

Dear Parents, Teachers, and Readers!

The book in your hand named "Sixty Golden Ahadith for Children" is specially written for youngsters. We are guided by the Prophet's sacred example at all moments of our lives and we also have lots of guidance for our newborns. Lots of companions of young age in their boyhood were in companionship with Prophet ﷺ and Prophet ﷺ taught them about Islam, literature with love and wisdom. Under consideration, we have chosen only those golden Ahadith which are especially for educating children. These will definitely help children to make their lifestyle better.

It is our dream that our children and their parents learn these easy Ahadith. We have chosen the most accurate Ahadith for this book. I am thankful to Mr. Abdul Ghaffar Mujahid and our senior designer Mr. Shahzad Ahmed for their remarkable work in designing. We would look forward to receiving valuable and constructive comments from our venerable readers!
